Kim,
To A very sweet girl that I got to meet through volleyball. I'm glad you decided to play. I mean after all who could I aim at when I'm serving if you weren't there?!! Stick with volleyball because its worth all the practice that we do + it is a lot of fun. You are a good volleyball player and I like you a lot. Good luck!
Love always,
Sherry
PS I hope you and me can become better friends through volleyball.

TWO VISITORS

Becky Panza, Ana Maria Villarreal, Debbie Panza

Having the chance to visit a foreign country is an exciting and special time. Springdale High School has hosted many visitors in the past, and we hope that they continue.

This year one of our exchange students was Ana Maria Villarreal from Columbia, Mexico. Ana arrived on September 3 and left for home in June. While visiting America, she lived with Debbie and Becky Panza. Ana's family at home includes her father, Armando, a funeral director, her mother Norma, and two younger sisters, Gabriela and Norma.

Ana found the weather to be very different here. Ana lives in a desert and in comparison to the weather there felt our weather to be extremely cold. Ana said that she will really enjoy the hot weather when she returns home. Her most wonderful experience while in America was when she went skiing. According to Ana "I got real scared when I was coming down that hill and didn't know how to stop!" Another new-found American experience Ana really loved was going to Pizza Hut. Ana plans to finish her last year of high school and possibly work for an American company. The very first thing she wants to do when she gets home, is to have a hot, very spicy meal.

Ana would like to thank all of her teachers and friends who gave her the help and the understanding that she needed.

FROM MEXICO

Lupita Gutierrez and Holly Emrick

Our second exchange student this year was Maria Gutierrez from Mexico City, Mexico. Better known as Lupita, she stayed with Holly Emrick and her family while in America. Lupita's family at home includes her father, Francisco, an accountant, her mother Marla, and two brothers, Francisco, age 15 and Marco, age 9.

Since arriving in the United States, Lupita has found a new hobby - cross country skiing; she also enjoys stamp collecting. Lupita found the school system and the life style of the American people to be very different from what is found in Mexico. Upon her graduation from high school, Lupita would like to go to college and study to become an interperter. Lupita has enjoyed her visit here very much but the first thing she wants to do when she gets home is to call her best friend on the phone and talk.

Lupita would like to thank the people of Springdale who were so friendly to her and who helped her to learn our language.

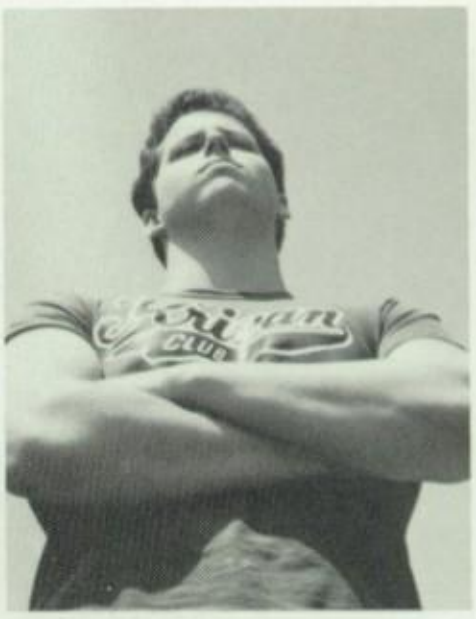
EXCELLENCE IN ACADEMICS

A Gift To The School From The Senior Class



Ken,

To a good friend who I've known for about a year. Remember all the good times we've had together in Lemar. All the time you + Debbie bugged me, and all the time I bugged you + Debbie. Good Luck in everything you do. With all of your ambition, I know you'll go far. GO FOR IT!

Your Friend
Always,
Love,
Terry

EDITOR'S NOTE

Another year has passed with many unforgettable moments. From the first day of school until graduation. We all have our own memories and many of these memories have been captured in this book.

There have been a few little "extras" added to this yearbook to make it something special. I hope you enjoy them as much as I have creating them. I would like to apologize to anyone who may feel like they have been slighted in this yearbook. I tried to include as many people as possible but it is not always easy.

I would like to thank Mrs. Anker and Mrs. Clark the advisors for their time and effort; Mr. Pavilak and the student photographers for the pictures they took and developed; I would also like to thank Colao Studios for all their help with the pictures.

I want to extend a special thanks to Dr. Wasilak and Dr. Craven for their advice and support and to the faculty for putting up with the class interruptions throughout the year. And finally, I would like to thank the yearbook staff for all their help but especially to the senior members who without them I would never have been able to finish the book and to anyone else I may have missed. Thank you.

I would like to wish all the graduates luck and success in the future.

Sincerely,
Ginny

To a girl with lots of potential. (Don't ask, I forgot what I was going to say) I'll always remember the good times we had at St. Al's and at your house. Your cats and singing along to Barry Manilow records are just several of the good times we had. You were the one who taught my brother how to dance. You should see him now. Your brains must have rubbed off on John. He knows Spanish words now. I hope we'll remain good friends and have more good times in the future. Y/F/F Karen
